Hi Renee,

How are you? How was the trip? I hope you had a wonderful time. As for me , all is well . . . excited for Xmas.

I still have the pictures on my camera. I totally understand . . I am a photo-a-holic as well. I will download them and email to Surren & you tonight. Please say Hi to Andy and the kids for me.

Sincerely,

Hi Annie,

Sorry to bother you. Surren thought we "girls" should talk directly. Hope all is well with you.

I noticed you had a camera in the background of a photo a friend of mine took and was wondering if you could send the images to me via Surren. I'd love to see them even if they're not great pictures...everyone had different angles & shots and I just am dying to see pictures from our big day. We're waiting to receive our proofs & I'm a photo-a-holic.

Let me know. I hope you had a good time.

Thanks again & best wishes!
-Renee
